

AMENDED DAILY SCHEDULES FOR HOMESTEAD ROUNDS

Amended Daily Schedules for the Homestead rounds are now posted in the “SCHEDULES” section of the Winter Tour web site. I have moved the JICA class up in the schedule, and given more time between JICA and Rotax Junior. Almost every entry in those classes is running both classes, so I needed to make the change.

PARTICIPANT SUPPORT SERVICES

If you haven't seen it, the “SERVICE PROVIDERS” section of the web site lists karting businesses that provide Arrive-and-Drive, Engine Leasing, Trackside Support and Transportation/Storage during the Tour. I have also been contacted by Indianapolis resident Kurt Mathewson who has space available for anyone in that area. You can contact Kurt at Km996@yahoo.com , or phone him at 317-695-4466. Contact FK if you would like to have your business added to that Service Providers listing. It's a free service for our participants.

PRE-REGISTER AND SAVE

Don't forget that secure on-line registration is available at the site. Pre-registration saves you \$40 and gets you priority treatment at the on-site registration area. And since we're assigning kart numbers on a first-register-first-secure basis, if you've got a number you want you need to register ASAP! Pre-registration ends January 16th. Don't delay, register today !
