

Mini Max class added to 2005 Winter Tour classes

Formula Kart Racing is happy to announce the inclusion of the Mini Max class in the 2005 Florida Winter Tour class lineup.

"We had several issues that kept us from originally including the class in this years Tour." stated FK's Bill Wright. "We have now resolved all those issues, and look forward to seeing all of our Mini Max competitors "on Course!" again in the Winter Tour.

The Mini Max Tour Points Championship will be a " 4 for 4 " , with all four remaining rounds counting toward the Points Championship in the Mini Max class.

Potential Mini Max competitors should read the class requirements in the "CLASSES" section at www.floridawintertour.com, and check out the "Club Mini Max" story in the "LATEST NEWS" section of that site for information on how to receive a free chest protector for their Mini Max driver. Discounted pre-registration is available in the " REGISTER" section of the site. Pre-registered drivers receive a \$40 discount over on-site registration, and are entered in a drawing for a free race-day entry for each event-weekend.
