

MOROSO EVENT PROCEDURES

Moroso will have some procedures that will be unique to this event-weekend only.

FACILITY ENTRY

Moroso Karting is located in the Moroso Motorsports Park. Because this is a multi-use facility, depending on when you arrive at the facility, you may encounter some confusion on what fees and passes are required to access the facility. Make sure they understand you are there for the Formula Kart Florida Winter Tour event. Please be patient with the staff and we will resolve any issues as soon as possible. If you have questions or concerns contact me and I will try to help you resolve them.

PIT PASSES

Formula Kart will provide Saturday / Sunday pit passes **for drivers only** . **ALL** other passes must be purchased from Moroso Karting. Remember that if you pre-register Formula Kart will have your driver pass in your registration packets.

REGISTRATION

Deadline for pre-registration is Monday February 7th.

Remember that pre-registered drivers receive a \$40 discount over on-site registrations, are eligible for a drawing for a free race-day entry, and receive priority service at the event site .

On Thursday and Friday on-site registration will be at the Formula Kart trailer, which will be located in the hot-grid area. Thursday registration will be open from 1pm until 5pm. Friday Registration will be open from 10am until 5pm. We **strongly** recommend that you pick-up your pre-registration packets, or complete your on-site registration on Thursday or Friday.

On Saturday on-site registration will take place at the facility entrance from 7am until 9 am. Remember, Formula Kart will be providing pit passes for the **drivers only**. **All** other pit-passes will be sold by Moroso Karting. They will also be located at the facility entrance.

Sunday on-site registration will take place at the facility entrance from 7am until 8 am.

Remember that minor participants must have their legal guardian in attendance to sign their minor release forms.

FUEL SALES

Moroso Karting will handle **all** fuel sales. You must purchase your fuel directly from Moroso. The schedules list the times fuel will be available. Make sure you plan accordingly.

OIL AND TIRES

Formula Kart will provide oil and tires at the Formula Kart trailer, located in the hot-grid area. Distribution times are listed on the schedules. Make sure you plan accordingly.

"SERIOUS FUN !" Saturday Night Under-the-Lights

Here is another reason to pay attention to the schedules. You will note that in our effort to keep the Tour "SERIOUS FUN !" we will be holding the tire changing contest and the Saturday Pro Shifter final after the sun sets. That means the Rotax Junior class will be the first class up on Saturday. Please plan accordingly. The schedule on Sunday will revert to the same order as we used at the Homestead rounds.

More "SERIOUS FUN !"

As is our tradition, we will once again give each driver an "Official" Florida Winter Tour T-Shirt. This is in addition to the one-of-a-kind t-shirts drivers received from KartSport, so drivers will now have 2 very cool Winter Tour t-shirts to show off during the year. The "Official" shirts will be available for purchase. As I said previously, Moroso Motorsports Park is a multi-use facility. You're passes will allow you access to most all of the facility. During the day on Saturday and Sunday Skip Barber Racing Schools will be holding a racing school on the road course. On Friday and Saturday night there will be drag racing on the Drag Strip. **You can drag race your kart if you want. I'd really like to see a couple of shifter karts try that on Friday night.** It would be great to see them line up and take off ! Check with Moroso for entry details !

As always, if you have questions or comments, please don't hesitate to contact me. I'm looking forward to seeing all my karting friends " on Course! " soon.
