

## **FWT ROUNDS 5 & 6 ICA CLASS TO BE OFFICIAL CIK EVENT**

The CIK has just issued approval for the ICA class at rounds 5 & 6 of Florida Winter Tour to be listed as an official CIK event on the World Calendar. CIK Event calendar listing allows participation by FIA/CIK licensed drivers.

Formula Kart's Bill Wright; " This announcement has allowed European ICA karting standout, CRG factory driver and UK citizen Alexander Sims to return to the Tour. After his dominating performance at the Homestead rounds, Sims was forced to sit out the Moroso rounds waiting on CIK approval for the Tour. I'd like to thank Chris Sims, WKA's Randy Kugler and CIK's Vincent Caro for helping make this happen."

Wright went on to say that he anticipates CIK listings for all rounds of the 2007 Formula Kart Racing FWT. "We have already organized a big marketing push into western Europe. We anticipate a much higher level of participation from the European community in 2007" says Wright.
