

## MRP Motorsport Awarded Pro Shifter Class Sponsorship

Formula Kart Racing is proud to announce that MRP Motorsport has secured the Pro Shifter class sponsorship for the 2005 Formula Kart Racing Florida Winter Tour.

Bill Wright with FKR : " I am very excited that MRP has chosen to continue their long relationship with Formula Kart Racing and the Florida Winter Tour. The support from MRP and our other sponsors has allowed FKR to offer a **minimum \$20,000 cash purse** in the Pro Shifter class. With additional support, we'll see that number grow. MRP Motorsport has been an important part of the Tour since the beginning, and I look forward to seeing all my friends from MRP "on Course!" soon. "

"We at MRP Motorsport are very proud to extend our relationship with Bill Wright and the Florida Winter Tour," said Garry Lobaugh, Owner of MRP Motorsport. "The Florida Winter Tour has not only been a valuable tune-up for our race team, but also a very fun and competitive environment for our customers during the Winter. We are looking forward to participating again for 2005."

MRP Motorsport has provided equipment and track-side support for numerous local, regional and national champions, including 2004 STARS ICC Champion Alex Speed and 2004 Florida Winter Tour and STARS ICC East Champion Jonathan Branam. MRP is the largest volume importer for Birel Racing chassis and FreeLine karting accessories in North America.
