

Team PSL Montreal will participate in the Florida Winter Tour 2006.

Team PSL Montreal will be packing up and heading for Homestead Florida to test in preparation for the 2006 Winter Tour. Team Members Jean Francois Valour in Rotax International, Jesse Lazare MiniMax, Tom Schuler Rotax Senior and possibly a Junior racer will be participating in the South Florida Summer Series to acquire valuable data for the upcoming winter tour. As well, we may stop over at the Moroso track to do some extra testing while we are out there. So far, Jean Francois, Jesse and Tom Schuler Rotax have been confirmed and we have 2 more International Rotax drivers and possibly 2 juniors as well that are interested in participating in the Winter Tour series.

"We know what times to expect from the Winter Tour Drivers so we will need to match or be close to these times in order to be competitive this winter." Says, Ron Arsenault of PSL Montreal.

PSL Montreal Still has room for drivers for this event and the Winter Tour. They offer an all inclusive package as well as just transportation. If you are interested in being apart of a championship team, you can inquire information by emailing them at info@pslmontreal.com or by phone at 514-253-4743.
