

C.M.W. Engines to sponsor FL Winter Tour Rotax Junior class

Florida based C.M.W. engines will sponsor the Rotax Junior class in the 2006 Formula Kart Racing Florida Winter Tour, presented by BTK / Arrow Racing Karts.

Reigning 2005 FL Winter Tour Rotax Senior Champion Ariel Castro and reigning 2005 FL Winter Tour Mini Max Champion Jarvis Gennari, along with many other returning Rotax competitors, will again rely on their C.M.W. Rotax power for their 2006 Championship efforts.

C.M.W. Engines will have trackside support available at all three FL Winter Tour event-weekends. With state-of-the-art shop facilities located at the Moroso Motorsports Park karting facility, C.M.W. has the equipment, expertise and personnel to meet your racing engine needs.

FK's Bill Wright; "C.M.W. has proven time and again that they can perform at the highest level of the sport. I'm very excited to have them return as a sponsor, and look forward to helping Ariel, Jose, Carlos and the entire C.M.W. crew meet their business goals in 2006."
