

2005 FL WINTER TOUR 8/25/2004

Find below the TENTATIVE dates, locations and classes for the 2005 FL Winter Tour, presented by Formula Kart Racing . Remember, the reason for this TENTATIVE August release is to allow interested participants the opportunity for review and comment before we release the official information in the first week of October. I encourage everyone to give us your input. We're here to meet your needs. Please direct all questions and comments to :

Bill Wright --- Formula Kart Racing --- info@formulakart.com --- 850-258-0846

I intend to continue the very popular, cost-saving, "double-race-weekend" format.

Over the next few months you will see ads in Kart Sport and Super Kart Illustrated magazine, and announcements from Formula Kart Racing will be sent to many other media outlets. Included in those ads and announcements will be a detailed listing of the Champions and the top 5 (including the Team, Chassis, and Engine) in each class of the 2004 Formula Kart Racing FL Winter Tour, and details about the 2005 FL Winter Tour, presented by Formula Kart Racing.

The 2004 FL Winter Tour saw records numbers of participants in shifter and Rotax classes. Overall participation was up 26 % over the previous year, with an average of 120 entries per race-day. With your support, the 2005 FL Winter Tour will continue the tradition of providing great value and International prestige to Kart Racers from all over North and South America. The 6 previous FL Winter Tours have featured truly international fields, with racers from 7 different

countries and 22 different U.S. states. Pro class racers have been paid over \$43,700 in CASH purses, with amateur classes receiving over \$46,000 in additional prizes and awards, for a combined payout of over \$90,000 in cash and awards. Add in next years minimum \$ 20,000 cash purse in the Pro class, and it's guaranteed to be another record breaking year with Formula Kart Racing.

As always, make sure you log on here at www.formulakart.com for all the latest "FK NEWS", and official Formula Kart Racing race results.

I look forward to some " SERIOUS FUN ", with all my karting friends, soon.
