

FK LIVE! Event Results now available!

Formula Kart Racing is proud to announce an exciting addition to the www.floridawintertour.com web site, **FK LIVE!**

"**FK LIVE!** will provide results of every official session as the results occur. I think it's safe to say the results will be posted on the web site before they're posted at the event site!" says FK President Bill Wright. "It is our hope to bring some of the excitement of *being there* to those enthusiasts who can't be with us."

To check out "FK LIVE!" log on to www.floridawintertour.com, click on the "RESULTS AND POINTS" link, and then follow the instructions.
